Form PTO/SB/64 (10-00)

USSN 09/854,703

STATEMENT OF UNINTENTIONAL DELAY

The Applicants respectfully submit that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137 (b) was unintentional.

The Applicants advise that two replies have been sent relating to the Notice of Missing Parts. Copies of these replies are attached.

The Applicants are also confused by the request for late filing fee or oath or declaration surcharge requested in the second point of Notice of Missing Parts, as the Declaration was submitted at the time of the original filing of the application.

If the application has been abandoned because a Declaration was not re-submitted with the Notice of Missing Part, the Applicant respectfully submits that the requirement to submit a declaration was not clearly stated in the Notice of Missing Parts. Reference is only made to a fee requirement.

A copy of the declaration as filed with the original application papers is now attached.

The Applicants also enclose a letter advising that the status of this application has been changed to "large entity". As the status at the time of filing was "small entity", the Applicants enclose a bank draft for \$1,440 covering the original short payment of \$10 filing fee but with an increased amount for the late lodgment fee for the re-submitted declaration of \$130 (large entity). A petition fee of \$1,300 (large entity) is also included in the bank draft. Please advise if this calculation is not correct.

The Applicants respectfully requests favorable consideration of the petition as they had every intention of continuing with the prosecution of the application.
